SUBMITTING COMMUNITY SERVICE HOURS – Select the same link on the student’s Infinite Campus portal link used to opt into the program, found under Quick Links as IMPACT Chandler Scholars.

ICS and ICS Community Service tabs provide the student and parent information about their current statistics as they pertain to IMPACT qualification. The student’s cumulative GPA, attendance and total hours are assessed only once by CEF on April 1 of the student’s senior year.

Select IMPACT Chandler Scholars to be directed to the Community Service Activity Form.

A student must submit hours for their enrollment to show as active.

Community Service Activity Form

Dear Impact Chandler Participant:

Chandler Education Foundation thanks you for giving back to your community! Service learning is an important aspect of your education and we hope you will make it a lifelong commitment. This form is an essential part of documenting your 100 hours of community service. As with anything this important, keep a copy for your records!

Please remember:

- 35 hours of community service must be submitted to Infinite Campus by the first day of your junior year in order to maintain status in the ICS program.
- 100 hours of community service must be submitted to Infinite Campus by April 1st of your senior year. No exceptions will be made.
- Service through a religious organization must benefit the broader community and typically be performed outside the organization’s grounds. It may not involve religious teaching or instruction.

IMPORTANT: This program uses the student’s school Google email account, S176182@gse.cusd80.com, for all communications.

Please combine multiple entries for the same service (ex: volunteering at the library each Wednesday for 10 weeks should be combined into one entry).

NOTE: Feed My Starving Children must be submitted as single sessions only. Check for messages under the ICS tab in Infinite Campus to confirm your entry was received and credited (typically within 72 hours).
